

## Career Opportunity @ TRIARQ Health, India

### Director - AR

**TRIARQ Health** is a Physician Practice Services company that partners with doctors to run modern patient-centred practices so they can be rewarded for delivering high-value care. TRIARQ's Physician-led partnerships simplify practices' transition to value-based care by combining our proprietary, cloud-based practice, care management platform and patient engagement services to help doctors focus on better outcomes.

**Industry Type:** IT-Software, RCM / US Medical Billing

**Location:** Navi Mumbai (Ghansoli)

**Division:** Revenue Cycle Management (RCM)

**Position overview:** We are seeking an experienced and dynamic Director of Accounts Receivable to join our team. The ideal candidate will have a strong background in managing large AR teams within the RCM or US medical billing industry. The Director - AR will be responsible for overseeing a substantial team, driving efficiency, and ensuring optimal revenue collection.

#### Job Responsibilities:

- Lead and manage a high-performing Accounts Receivable team, ensuring efficient billing processes and timely collections.
- Develop and implement strategies to optimize revenue cycle performance and reduce accounts receivable days outstanding.
- Utilize industry best practices and innovative techniques to improve cash flow and minimize denials.
- Establish and monitor key performance indicators (KPIs) to track team performance and identify areas for improvement.
- Collaborate with cross-functional teams, including Billing, Coding, and Operations, to streamline processes and enhance revenue outcomes.
- Provide leadership, guidance, and mentorship to team members, fostering a culture of continuous improvement and accountability.
- Stay updated on industry trends, regulations, and changes in healthcare policies affecting revenue cycle management.

**Skills Required:**

- 10 to 15 years of progressive experience in the RCM or US medical billing industry in AR, with a minimum of 7 years in a managerial role.
- Proven track record of successfully managing large AR teams with a span of control of at least 500 individuals.
- In-depth knowledge of revenue cycle processes, billing systems, and healthcare reimbursement methodologies.
- Strong analytical skills and proficiency in using data to drive decision-making and performance improvements.
- Excellent leadership, communication, and interpersonal skills.
- Ability to thrive in a fast-paced, dynamic environment and adapt to changes in the industry.

*We encourage applicants with a strong background in practice specialty include oncology, urology, orthopaedic, internal medicine, laboratory billing etc. to apply. Please note that we are seeking candidates with experience in the mentioned specialty.*

**Education:** Graduate (Any stream), Postgraduate in management (preferred)

**Employment Type:** Full Time, Permanent. Night shift
